Tribute from Leroy and Judy Griffin

Relation: friends

Sharron know that we are thinking of you and the girls as this time. We all had such great times together. although we drifted apart these last few years you guys were always in our thoughts. We will always remember Rick standing tall down by the river saying "Cow-a-bunga Dudes" His zest for life inspired everyone he touched. Hugs to all, Judy and Lee.

Tribute from Frank Stothard

Relation: I worked with Sharron at BC Tel, Duncan

I was sorry to read about your loss in the paper today. Sharron, as soon as I saw Richard's obit, I remembered the time you guys went to the Mai Tai for dinner and were escorted to a huge table of people (named Beaveridge) who were having a private party, and you had planned an intimate dinner for 2. Thinking of you-still have a cream puff recipe you gave me, printed on one of the first home computers ever made, I'm sure. xo
