**Tribute from Michele Lillew**

Relation: acquaintance

To the Dobson family. Rick brought much joy and laughter to everyone he met. He had a wonderful sense of humor! I enjoyed the daily teasing we gave to each other during his visits to the bank. I always gave him a hard time and asked him why he was not bringing Benny (his grand pug we called him) into the bank with him. Finally one day he brought him in, so Benny received a doggy treat and of course Rick got a candy! He will be greatly missed but never forgotten. My thoughts are with you all at this time!

**Tribute from Harry Lepp**

Relation: Friend

Rick was a wonderful friend to me. Whenever I came to Duncan I would stop in to see him and the first thing he would do is take me for "coffee". By the size of the funeral, it sounds like he took a lot of people for coffee. He was a wonderful man.

My thoughts & prayers are with you and your family, Susan.
