Relation: Long time neighbors

Blessings to all of you. May you all be surrounded by the love and prayers of those who loved your Dad, Father in law and Grandpa. I was blessed to be a neighbor. Our family and children were welcomed to your home by both Phyllis and Bob. So much kindness and help especially while my parents were aging. Will always remember Bob and his smile. So many memories. Praying you will remember all the wonderful times you all have shared. Hugs from all of my family.
