Lana and family - just found out about this through Kyle Young. So terribly sad to hear this news. I really enjoyed working with Rob during our mutual time at North Cowichan (roughly 6 years). He was so easy-going, well liked by everyone at work and was just a great all-around guy. My sincere condolences to all of his family and friends.

Tribute from Marko Shehovac 33158

Relation: My troop mate

Rob is my troop mate when we went through Depot. Troop 22 75/76. Truly enjoyed my brief time with Rob and our band of brothers. No surprise to me that he did not want to leave the Duncan area. Our troop has kept in touch as best we can through a Christmas message sent out to everyone. We are hoping to have a 50 year reunion and if we make that happen we will lift a toast to Rob. This was a nice write up on Rob. Very happy to see he was blessed with many Grand Children. I wish all the strength to Rob's family. Take care. Marko

Tribute from Peter LeBlanc

Relation: He was a fellow RCMP member and we trained together in Regina

I was a Troopmate in Troop #22 1975-76 with Rob. To all his family please accept my condolences. I have advised the members in Troop 22 of Rob's passing. We were a close group for the six months in Regina as well and the 1976 Montreal Olympics. After that we all went our separate ways. We have stayed in contact over the years and Rob was included in the communications. I remember him very well and be assured he was well regarded by us all !
