**Tribute from Debbie Miller**

Relation: friend

It is with great sadness that I have heard the news of Bob's passing. He was a Long time friend of my dad's, Archie White, which they enjoyed one another's company. When passed in 2013, Bob also would check in on my mom from time to time. I was happy to see the picture of Bob in his Stanfield as that is how I will remember him when he would greet me with a smile. My Condolences to the family !!

**Tribute from Diana Brebeck**

Relation: Old Neighbor

We were very sorry to hear of Bob's passing. So many memories of playing in the pasture with Frisky and Bob never complained about all us kids on his property. I guess all the produce he got from mom and dad was fair trade. We all send our condolences.

**Tribute from Susan Cawley**

Relation: He was my deceased husbands cousin

My condolences to Bob' family and friends.

**Tribute from Eric and Agneta Lundberg**

Relation: Knew his parents and family.

Knew Bob through hockey and his role in education years ago. He was always very friendly and interesting to talk to about Lake Cowichan history.
