### **Tribute from Wynne Dobbs**

Relation: RN at Acacia.

I had the honour to care for Bob during his final few months at Acacia. At first he seemed remote, but we formed a genuinely shared joy when the dogs would come to visit. Bob and I would form an entourage and follow the dogs all around the home both with big grins all over our faces. This opened a whole new communication. I'll miss Bob, he was a gentle soul during the time that I knew him. and I went to work each day looking forward to seeing him. My condolences to your family. Sincerely,  
Wynne

Sorry this has taken so long for us to enter this for you Bob. We so much enjoyed your friendship and being my co-worker on several construction jobs over the years. You were a good hard worker and a good friend to work with. We will remember you with love and friendship always, Bob.
