**Tribute from Cathy King**

Relation: Firehall Family

Sending my heartfelt love to all of the family & friends who were touched by Cliff. Cliff gave me my very first job at Hillbank Gravel supplies. I was 13 & though I only worked Saturdays I bet that office never smelled so good as he'd supply me with lemon fresh pledge to "clean". Every time I smell that it brings back good memories. I have many memories of the firehall picnics at the Forrest house, parties, and more. I have & will cherish all the memories. Hugging the hearts of your family Cliff.
