Tribute from david and kathryn yardley

Relation: friend and co-worker

It is with sadness to here of the passing of Bob. Last time we ran into Bob was at Lizard Lake where it was a family camping weekend for him. Bob sailed on a guy's race-criusing weekend on our Thunderbird sailboat in breezy conditions with many an adventure along the way. I worked with Bob at the Royal Jubilee Hospital in Victoria, myself as a machinist and Bob a power engineer. Bob new how to do his job well, was independent and was always good for a healthy debate on public affairs and politics. He spoke his mind and had the knowledge to back his convictions. Our thoughts support you in this time of grieving.

Tribute from Rob and Carrie Hokanson

Relation: Friends

Our condolences to you, Glenda and Shaun. I was very sad to read that Bob had passed away. We have many fond memories of you three at the marina. I remember when Bob had beat the first round that he began his artistic endeavours and how happy he was to be creative and healthy. We are sorry to have missed the memorial service today as well. We will be thinking of you. Best regards....

Glenda i was so sorry to hear of your husband's passing. This all happened while i was away on vacation otherwise you would have heard from me earlier. Tribute from Doug McFarlane

Relation: Old friend

Quite to my surprise when I Googled your name this posting came up.

I always valued you as a friend as from our time at Phillips Cables to when you moved to Prince George but each life takes people in different directions.

From what i have read you and Glenda were very happy and I am happy for that.

Saddened by your passing - rest in peace Grasshopper- rest in peace.
