

REMEMBERING
Robert Jones

October 7, 1941 - May 21, 2021

Robert Warren Jones "Bob"

(Retired Chief Engineer R.C.N.)

Passed away on May 21, 2021 in Duncan, B.C. Bob was born on October 7, 1941 in Cardston, Alberta. Lost his battle with Parkinson's Disease. Beloved husband of Dee. Loving father of Warren and Wanda (Ray). Cherished grandfather of Robert. Dear brother of Sharan (Tom), Donald (Leigh), Merlin (Glenda) and Paul (Diane). Will be sadly missed by his many cousins, nephews and nieces.

Due to Covid restrictions, there will be no service at this time. A special thanks to my sister Michelle and good friends Helen and Stanley for their kind help and support.

The sun is over the yard arm, so wherever you are, have a wet to my Bob.
