REMEMBERING

Robert Miller

1926-2025

It is with heavy hearts we announce the passing of Robert Miller on March 26, 2025.

He was born April 8, 1926, in Crofton, BC.

Dad was predeceased by his wife Beulah of 69 years, son Greg, and son-in-law Rick.

He will be forever missed and loved by his children, Anne (Doug), Wayne (Kathy), Gary (Kathy), and Dawn (Dom), nine grandchildren, and sixteen great grandchildren.

Bob spent his working career at Duncan Iron Works, as a Machinist from age 18 until retirement. Dad was a talented woodworker, spending many happy days in in his workshop creating beautiful furniture. He enjoyed travelling and camping, he also loved working in his yard and gardens. Dad was a dedicated family man and always ready to help one of us with a project.

We would like to extend a thank you to the staff at the hamlets for his care over the last two years.
