Tribute from H.W. Wallace Cremation & Burial Centre

H.W. Wallace Cremation & Burial Centre staff send our condolences to family and friends.

Tribute from Mark A Gibson

Relation: I worked with him and Joy for many years.

My deepest sympathies to Joy, Niki, Bill and Jim and their families. Rob had a wonderful personality and would help anyone. He was a great Machine Operator and mentor. I wish I could have retained everything he imparted to me as a trainee. Rest In Peace Rob. "You're a better man than I Gunga Din".

Tribute from Richard F Owens

Relation: close friend

Good morning Joy and family,

I just received this awful news yesterday . Rob was a good friend and he will be sadly missed. I have very fond memories of the times that we had together, one unsuccessful hunting trip, numerous cups of coffee together and a few trips to the Cowichan shooting range for a bit of plinking. My sincere condolences. Rick
