Gayle and family.I remember when Robin entered your lives.Under the pretence of being like a big brother to Randy.He was indeed a great big brother and male role for little Randy,but he had an agenda.To win the heart of Gayle, and he did.

His smile and jovial manner will be missed.

Sending my love in a huge big ass hug to all of you.

May he rest with quiet mind.

I have just learnt of Robin's passing, My condolences to the entire Kerrone family especially Brenda, his wife, children and grandchildren and especially his parents. I have such fond memories of our childhood in Duncan, Robin and Steve were a constant presence at our house during the summers when we were in junior high. I'll never forget his constant smile and his laugh. Even though we lost touch a long time ago, i'll never forget him.

Tribute from Patricia Lizama

Relation: School mate

So deeply sorry to hear about Robin's early passing...

I met him when I first moved to Canada in grade 3 and have the warmest memories of him. He was always smiling and getting into mischief with his cousin. :)

I moved out of Duncan almost 25 years ago.

My sister just called me to let me know. There aren't that many people who make impressions in our lives, but Robin did. He was always sweet to me, and the first boy to ask me to "go around" with him :) He even gave me a beautiful blue choker that his sister or cousin made :).
To his wife, children, family, and friends; I am so sorry for having to lose him at such a young age. My sincere condolences.

I knew Robin when we were a couple of little brats getting into trouble around the neighbourhood. I

would often go over to his place after school and he'd make mini pizzas in the oven while we listened to the band Cheap Trick on the turntable. Later we went on to play football together for a number of years on the Cowichan Chiefs and Robin was one heck of a running back ! Fast and a powerhouse! Robin was kind, thoughtful, charismatic and I think of him very fondly ! I knew Mr. and Mrs. Kerrone , his cousin Steve and sister Brenda quite well and my sincere condolences and my thoughts are with them ! Robin was one of a kind !

My wife Susan and I were so sad to hear of Robins passing. Although we were "only" customers, it was a shock. We always looked forward to picking up our customers beef orders he processed for us, so we could catch up with Robin about the year, life and trucks and fishing. He was always so kind and accommodating and his love for his family was evident. He will not be forgotten. A gentle , intelligent man.
