### **Tribute from Roderick Beaton**

Relation: Friend & fellow musica

Dear Anne and Family

I got a preview of your message in the paper, and am stirred with the grace you express over Ron's Passing. One of the last times I got to play music with Ron was at a men's weekend. He and another friend Brian from that weekend now make up a part of the heavenly band.

My prayers are with you as you grieve, but know that I am also full of gratitude for this man, his music, and quiet grace, and for the chance to spend a bit of time with him.... and play.

Dear Anne,

What a kind, gentle christian physician Ron was. At our committee meetings, he was a good participant and valuable member,.Although we have not seen either of you for some years, we have

followed your blog from afar. The picture of the broken mirror is wonderful, and will bring comfort and hope to us all.

We rejoice to know that he is now whole, and with the Lord, and that we shall all see him again. We send our love and prayers at this time for you and the family, especially for the days that lie ahead.
