Relation: Uncle

I thought I knew a lot about my uncle Ron, but WOW what a legacy!!!!!!! Our hearts go out to you all at this incredibly sad time and please know we are there in spirit!

Tribute from Brian Parnell

Relation: I chummed around with his son Wayne.

I went to school with Wayne. He was a super nice guy. Sorry for your loss of Mr Bradshaw. He had a great name in the construction industry. Rest in peace Father and Son.

Tribute from Ryan Florence

Relation: Employee

Ron was one of the finest people I ever worked for. He will truly be missed. Wishing his family peace in their time of loss!

Tribute from Paul Benson

Relation: I worked for him

I worked for Ron as a subcontractor on a lot of the buildings he did. I always admired his work ethic and integrity. I like to think I was influenced by him.

His determination in the battle with the bank was nothing short of epic. Surely Calvin Coolidge's famous quote about persistence and determination was written for a man like Ron. .

My condolences to the family. RIP Ron.

Tribute from Fran Stirling

Relation: Tenant, employee and friend.

My thoughts and condolences go out to the family of Ron Bradshaw. It was my privilege to have known and respected this man for whom I had and still have a great amount of respect for. A man who was kind, giving and who always saw the right or wrong in any given situation. I will always be thankful for the years that I knew him.

Tribute from Loretta (Mutch) Mason

Relation: A very old friend. Ron worked as a teenager for my Father-in-law in the orchard. Ron built our first home in Penticton in 1958. Good memories of a camping trip with Ron & Ellen at Penask Lake. So many good memories of both Ron & Ellen.

I was so sorry to read of the loss of your husband and Father. My condolences and heart goes out to all of you.

Ron was a superb carpenter . I think his motto was, " Do it right the first time and you won't have to do it twice". He had a very good reputation for building homes in Penticton, so good in fact that often a Realtor will say, " This is a Ron Bradshaw built home".

Tribute from Darrell Posehn

Relation: Friend

I want to send my deepest sympathy to Ellen Russ Sheila and family. Your Dad was a great man who I respected deeply. I thoroughly enjoyed our days working together and he will be missed. I learned a lot from Ron that I still use today and I thank him for that. We meet many people in our life's journey some more special than others. Your dad was one of the special ones. My deepest sympathies to you all.

Tribute from Jonathan Bradshaw

Relation: Uncle

I will miss you uncle Ron. Your infectious smile to your cutting wit. We had many good chats. Although when I was five you put me upside down in a fence post hole! I think I've come to forgive you ;). I send Ellen, Sheila, and Russ my love and hope that they find peace in memories of you. The same to your surviving siblings and other family and friends.

Tribute from Alison (Bradshaw) Bardarson

Our heartfelt condolences to our Aunty Ellen, cousin's Sheila and family, Russ and family. Uncle Ron was an amazing man. We loved his sense of humour his great big smile and his mischievous way, lol. Loved our visits out at the farm. Thanks for teaching me to play crib. Thank you for putting Dave through his apprenticeship. We will miss you very much. Rest easy Uncle Ron. Say hi to dad for us.

Tribute from Graham Bruce

Relation: business

Ron was one of a kind full of energy & determination, even tried to make a carpenter out of me during the time I worked for him...he had a keen interest in the community and often had municipal advice to offer me which I always enjoyed receiving. Truly an excellent builder. Our thoughts are with you Ellen and family.
