Tribute from Joseph Camilleri

Relation: Made friends through Lois and the running community.

Ken is now flying high with his beloved Snowbirds. I am so glad that I got to know Ken thanks to the various running events that he used to photograph. He always had a warm welcoming smile and a soft demeanor. So long Ken.

Tribute from Olivia Rhoddy

Relation: cousin

Lois and Kim, we are so sad about Ken's passing but also proud of his life that was well-lived. We can't imagine the hole that he leaves behind after a lifetime of experiences and memories with him. Our thoughts and prayers are with you. I will see you at the funeral. The rest of the family would have loved to be there as well but were not able to get there for different reasons. Hugs. I have attached a photo of us with my grandma Edna and Marjorie when they came out here for a visit.
