Dearest Ernestine,

It is with great sadness that I found Ross' obituary in my search after I couldn't get a hold of you on email or by phone. Thank you for being such kind, wonderful and exceptional neighbours and friends. I hold our happy memories together close to my heart. I have missed you since I moved from the neighbourhood and think of you very often. Please contact me if there's anything I can do.

Love and hugs,

Olga
