Tribute from Christine Prouty Leroux

Relation: Sister

Ross taught me many things growing up how to tie my shoes, lacing up my skates that he and Ralph bought me for Christmas. Z

He showed me how to decorate a Christmas tree. When I babysat for him he always asked did I want money or for him to order me something from the catalog, loving clothes I usually asked him to order me something so we looked through the catalog to find something I liked.

He was a kind loving soul.

I will see him again one day.
