Tribute from cheryl doyle

Relation: friend

I am saddened to hear you are not with us anymore. Although we lost touch over the years, I thought of you from time to time and it always brought a smile to my face. You were there for me and my

family during my brother's fight with cancer and you were there for me when I had my own troubles in life. You always found a way to make me laugh and make it all better. We had some fun times together that I will remember fondly. Bud, you will be missed by everyone who new you. Good-bye my friend.
My thoughts go out to Kim and Roy's family.

Tribute from David Pope

Relation: work

Roy left us at much too young an age. Some years ago I had to do some legal work with Roy. It was hard and not pleasant, but I came to respect Roy as a person who wanted fairness and who had a wish to get along with the rest of the world in an easy way. My condolences to his family and friends.
