Tribute from H.W. Wallace Cremation & Burial Centre

H.W. Wallace Cremation & Burial Centre staff send our condolences to family and friends.

Tribute from Donna Gallie

Relation: Acquaintance

My deepest sympathies to all Sandi's family and friends. May your happy memories help you in your time of sorrow. I enjoyed many talks with Sandi while the 'kids' were in elementary school and running into her in more recent years. Mathias was in the same grade as my daughter Devon. Sincerely,
Donna Gallie and Devon

Tribute from Evid Hazelbower

Relation: Friend

" And did you get what
you wanted from this life, even so ?
I did
And what did you want ?
To call myself beloved, to feel myself
beloved on the earth. "

Sandi was this and more . A kind, incredibly generous, creative, feisty, gentle , genuinely good person.
It was an honour to have been anyway near her.

Tribute from Lyndsay Roberts & Bob (BuhBuh) Bell

Relation: Sandi was a friend of ours through the work she did @ WarmLands

Good Bye Dear one, we sure will remember you and all you did for us.

Tribute from Angela Powell

Relation: Friend, co-worker

My deepest sympathy and love to Sandi's family and George. Sandi was a great friend, confidant and supportive soul. She taught me many things, we traveled, we had fun, we ate many lunches

together, and Sandi was the teacher of many things for me. Quilting will never be the same without her. Miss her everyday. Love Angie
