H.W. Wallace Cremation & Burial Centre staff send our condolences to family and friends.

Tribute from Pauline Jackson

Relation: yes as an acquaintance.

Well Sandy I like to say goodbye for now. We did have many good private talks on facebook. I hope that you will find rest now.

Tribute from Linda (Backlund) Blatchford

Relation: Sandy was my dear friend.

Sending love and light to Sandy's family and friends. She was truly a character that made this world a much better place. Sandy and I share a birthday although many years apart but she always called me her birthday girl. I worked for Sandy years ago in the Sunshine Gift Shop when I was just out of high school. I loved Sandy very much. Fly free my friend....free of pain....free of worries....free of everything but love and light and happiness. See you again one day!
