Tribute from Maureen Erickson(nee Batty)

Relation: Childhood friends

My deepest condolences to the family of Sandra. I have many fond memories of growing up with Sandra and the Ball family. I spent a lot of time at the Ball house on Deauchars Drive. We all kept busy together on our bikes and playing a game of soccer, baseball or football in the park. I remember camping trips and listening to music when her sister Sharon would come home for visits. We read a lot of comics. Nobody had more comics than the Ball kids. We all swam in each others pools. We always went to each others birthday parties. (I am 6 days younger than the Ball Triplets) And we always walked to school together. Mrs. Ball always had a jar full of homeade cookies that she shared with all of us neighborhood kids. It was a great neighborhood full of lots of kids and we were always together. I will always remember those days. I am so sorry and sad to hear that Sandra passed away so young. I live in Calgary and I am flying home tomorrow on the 12th. I wish I was home a day earlier so I could have been at Sandra's service.

God Bless and May Sandra rest in peace. Love Maureen

So sorry to hear about Sandra's passing. I know we are not supposed to have favourites as teachers, but Sandra was definitely one of mine. Such a capacity for learning and life, a treat to teach and educate are my memories of Sandra. My condolences to her family, from Dave Achurch, former teacher at George Bonner Junior Secondary School.

Tribute from Elana Stocker

Relation: friend

I am deeply sorry for the loss of Sandra. She was a truly loving person. As I thought of her and all her

gifts she shared with us the thought came to me: "You know, I bet she will be there for me when I die". Suddenly a strong feeling of peace came over me as if she was saying "Sure, I can be there for you!" I am grateful to have known her and for her example she set of unconditional love, generosity and service. I hope her family will find peace and comfort as they mourn.

Tribute from Sharon Combs

Relation: high school classmate

My most sincere condolences to Peter, Bill and the rest of the family. I was Sandra's locker partner and in her grade eight class. She was always such a sweet and patient girl, who ignored all of the teenager craziness and always was wise beyond her years. Having recently lost my own sister, I can share in the pain and sadness your family is feeling. Take care of each other and take comfort in your wonderful memories of Sandra.

Tribute from Maureen Loebus

Relation: friend

I am so sorry for the loss of such a loving mother and wife. I worked with Sandra on the 'Painted Bear Project' and she was so excited to find two artists to paint her bears. Sandra could always be found with a camera in her hand while her wonderful children participated in local activities. She will be missed. Sincerely Maureen

Tribute from Shelley Boyd (Capps)

Relation: old friend from Deachars Drive

Mr & Mrs Ball: I am so very sorry to here about Sandra. You have my greatest thoughts. I have often asked my mom (Sharon Capps) about all of you over the years. I have been remembering all the things that Sandra and I did when we lived on Deacher Drive. How she lent me her bike so that I can learn how to ride, also how she couldn't wait for her big sister come home for her next visit. We lost contact after I left home and moved to Edmonton,
With my deepest sympathy Shelley
