Tribute from Jenna Graczyk

Relation: Worked together at kfc

I'm so sorry to hear about Shannon's passing. I worked with her at KFC for many years and she was a wonderful woman with a great sense of humour and was a pleasure to work with and know. Sending love, strength and healing to all of her loved ones

Tribute from Lynn & Al Camacho

Relation: friend

Shannon was a lovely person. We enjoyed many wonderful times with her. She was smart, generous and funny. We enjoy awesome yorkshire

pudding & blueberry cheese cake because Shannon was so kind to share her recipes with us. That is the sign of a true cook & generous

lady. Not everyone shares their food secrets! Aside from that we just enjoyed her company. We will miss the fun times, and just miss the fact that there will no more of those times.

Shannon's life was not easy at times, but she never complained & always tried to look forward to something more positive.

We hope she is now in a better & happier place & free of pain.

Rest in peace friend.
