Sheila Elizabeth Lunan

February 4, 1954 - March 8, 2010

Sheila passed away peacefully in the accompaniment of her loved ones after a long battle with illness. She is predeceased by her parents Helen and William Turner, her sister Mary Francis (Molly), and survived by her husband Ken of 25 years, her children Jenny and Jeff, her brothers John and Tom, and her sisters Marg and Helen. Sheila's legacy is that of a caring and compassionate wife, a proud and loving mother, and a respected and energetic member of the art community. Born in Rossland, BC, and married in Calgary where she raised her family, Sheila and Ken moved to Chemainus two years ago and lived life to the fullest. A budding artist, Sheila received her first award of recognition for her paintings, a People's Choice Award, mere hours after she had passed. Sheila will be dearly missed by all her immediate and extended family, her friends, and by everyone else who was lucky enough to know her well.
