Tribute from Jane E.LeBreton

Relation: old friend

Awe, I was both shocked and sadden too hear the news of Shelley's death. I meet Shelley 25 years ago when I first moved to the Island. Shelley was my first friend here and we had a lot of laughs together working at RJ's café on Esquimalt Rd. We would also turn the music up loud and sing and dance before opening the café. Shelley had a big heart and a great smile!

Although, I have never meet Amanda and Brandon I remember when Stacey was born. Shelley was so happy and loved her very much. Thanks goodness she had the support of her parents and Laura. I have not seen Shelley in a number of years as our lives took different paths but I had ran into to Laura a few times at Timmy's. Laura expressed how happy and proud, they both were to now be grandparents!

REST IN PEACE OLD FRIEND.....Janey xo

Relation: friend

We have know Shelley for over 20 years, beginning when she started work at Hatley Subway. Shelley was an extremely loyal, hardworking and incredibly capable manager who also came to work with a great sense of humor. It was a pleasure knowing her and watching her pride in Stacey. We will miss her.

Relation: Friends

We were truly shocked when we heard the news. Shelley was a happy go lucky person with a great smile & laugh. I always enjoyed Brandon, Stacie and Amanda's company.

I will always remember her gripping the safety rail on top of the bucket truck in her wedding dress.

God Bless
