I'm very sad to hear of Shirley's passing. Shirley was a bright spot on the street and when I met her at Aquafit classes. She always had a smile and warm hello. She didn't ever forget to mention Calen and his family. My thoughts and prayers go out to you and your family.

Tribute from Al Lundgren

Relation: work association

I first met Shirley at the Station Street Gallery in the early 1990's. I was the caretaker of the IWA Local 1-80 Archives and Special Collections. At the time whenever an occasion arose to make a presentation gift, we would print 16x20 archive images from the early days of logging and saw milling and Shirley looked after the mounting and framing. She designed a format that really made the images

pop. Shirley really had an eye when it came to framing. At one point Shirley framed a special print that I had long admired in her shop and presented it to me in thanks for all the business I had been able to provide her. It is displayed in our entrance and will always be a reminder of a very special lady. I will miss her.

The words that come to mind when I think of Shirley are wise, genuine, kind, spark, grace, fortitude, and easy smile. I was fortunate to meet Shirley one Sunday morning while hiking with the group. We spoke of Winnipeg as that is where I had lived before relocating here to the Cowichan Valley myself in 2005. Shirley introduced me to Fred of whom I had met previously as I have dealt with Fred with his printing business. Shirley was so kind and would always lend a hand to help if you needed. I will miss her smiling face. My thoughts and prayers are with you Fred and your family.
