Dear Sean and Shannon,

I have the very fondest memories of your wonderful, positive wife/mother.

Always looked forward to seeing her at school or during my lunch hours walks. She always provided a bright light even on a cloudy day.

I will never forget her love of family and her brilliant smile.

With my deepest condolences,

Liz (Mrs. Savage)

Tribute from kelly walker

Relation: sister of jann ashworth

Susan was a special friend of my sister jann and i was blessed to meet her because of that friendship.

It was a gift to me from both of them to see the beauty of vancouver island. My fondest memory was sue beautifully reading poetry at french beach. Her easy laugh and love of all living things was

contagious and i know my sister cherished her friendship to no end. I will have an everlasting place in

my heart just for sue, sincerely kelly walker

Tribute from Bonnie Adams

Relation: My best friend's sister

Sean & Shannon

This is such a shock - am just aware now of Sue's passing. She was one of a kind, with a great grin. Hard to believe so many years have gone by since I was out to see you (1986).

Also, sincere condolences in the passing of Liam. I am paying the price for procrastination as I had intended to send a card when I found out about him.

Tragic news for sure. May you find peace to know their suffering is over.

Take care of each other.

Til we meet again

Love Bonnie in CP, Ontario
