Tribute from Mavis Stokke

Relation: Friend

Dear family of Sylvie. I am one of Sylvie's pool friends. We all liked her from the moment we met. She was a perfect fit for us. She was so full of fun and energy ! I am still in shock at her loss. Her presence is really missed. I will be very happy to make a donation in her name to the Shelbourne community kitchen. We support that Charity year round and sometimes put some change in the jar at our coffee table. We have good treats at our coffee table so so anything we collect goes to the Shelbourne kitchen. I think Sylvie would like that. Please join us for coffee if you ever have the time or inclination. Sincerely Mavis

Tribute from Janet Bullbrook

Relation: Former AGM at the Victorian on Feltham

I knew Sylvie for 5 short months and yet she left a BIG impression on me. She was like family and a mother and she did indeed have a twinkle in her eyes. I was very saddened to see she had passed but I know she was tired and now she can fly. Peace to you Sylvie, and to the family and especially Matthew who I often hosted at the Victorian for dinners with his Grandma. She will happily be walking in the gardens above with her doggie. Go placidly amidst the noise and haste.....
