Tribute from Carol-Ann Rolls

Relation: Connected in Community

My path intersected with Carol's many times over the years. Her life was defined by her service, her outstanding ability to communicate, and her unwavering devotion to the Cowichan Valley. With a positive spirit that inspired everyone she met, Carol mobilized communities and built bridges. Her legacy lives on in the supportive housing and transportation networks she launched for seniors, and in her executive leadership with the Valley Hospice Society and the Cowichan Seniors Community Foundation. Her broad community impact was felt through her vital roles with Community Futures Cowichan, the Duncan Chamber of Commerce, and the Cowichan Community Health Network.

Tribute from Nelda Evans

Relation: Grew up in the same community and recently came to know her again with walks with her and her dog Monty!

My Dearest Condolences to all the Family of Carol.
