Relation: Relationship - How did you know the deceased?

Donna & Eric were our first friends when we moved from Winnipeg to Lake Cowichan in 1965. You were the best! I never forgot how you welcomed us into your life and we met Tanis @ Dale for the first time. Thank you again. Tanis, I see you asleep in the arms of an Angel, knowing that you did your best. .

Eric and Donna, our condolences on the loss of your daughter Tanis.

Tanis was always very special to both of us. We will always remember her as a little girl growing up in Honeymoon Bay. And, we will always treasure the time spent with her last year, when she came home for a visit.

God Bless you both, especially during this very difficult time..
