Tribute from Cathi Somerville Watkins

Relation: Friend

My absolute sincerest condolences to the entire family. Ted was just "that" guy that everybody gravitated to and wanted to be with and be like. He will be so sadly missed.

Tribute from Rick West

Relation: HMCS Quadra PL 1973

I am so sad to hear the news of Ted's passing. He was my PL officer in 1973. I always had great respect for him. Even though we never saw each other again after the summer of 1974 I shared many of my experiences and the things he taught me about myself with my own kids and the Navy League Cadets Corps that I commanded while my kids were involved in the program.

He obviously touched many many lives and I'm sure will be remembered by anyone who ever knew him.

I offer my deepest sympathies for your loss. Bravo Zulu Sir! Now Stand Easy!
