Terry will be in many hearts, for many years. He was a wonderful man who made an unforgettable impression on me and I will never forget the kind, happy loving man that I am blessed to have called a friend.

Rachel and family. Words cannot convey how we feel over your loss of a very warm, funny and loving man in your lives. We both loved Terry from the minute we first met many years ago. We were so happy when we learned you were together as a couple, and what a loving, supportive couple you were. I will remember his hugs forever, and the smell of his cologne on me for hours afterward. He was a very special human being and will be greatly missed. Hugs and love to you all.

"Terry" what a guy. I had the great pleasure to work with Terry over the last few years. Many hours in the office talking about our next boat purchase. I'm sure you hold the record for the biggest tie collection was it 200 at the last count? Terry you are one of the most genuine guys I know and someone I could always rely on, Thank you. A very proud father and grandfather. I going to miss you buddy..

Dear Rachael; Jack and I just learned that your dear Terry passed away Jan 6th; we r so sorry for your deep loss. We stopped in at Hyundai to see him and you can imagine our disbelief when Jeff told us. Last time we seen Terry he was optimistic about his liver being better, and he looked great and was so positive. He spoke of you so often and you were his rock and his inspiration. We first met him at Bow Mel and he took a chance on us as we were starting over again and we followed him wherever he went over the past 13 years. We will miss him. Jack and he were kindred spirits and had so much in common. Our thoughts and prayers are with u and your loved ones. In sympathy. Jack and Sandi Sheridan

Rachel I have only just learned of Terry's passing and, even though I knew he was struggling, I am still shocked. I send you so much love and wishes for your strength in the times to come. I, too, have been through this loss and if you ever need me, please don't ever hesitate to call. I am in California until the beginning of April but I will call you when I get home!! Please know I am thinking of you and your family very much!
