Nanny, you have left so many hearts SO full of love and happiness. As sad as we are that you're gone, we are glad to know that you are watching over us. You were such a light in so many people's lives, and you're going to be missed by so many people. I wish I could have told you about the baby... I know you would have been so happy & proud... Too many memories to share, but i will cherish them forever. Dad, Jake and myself love you very much. We'll miss you. Xoxoxoxo

Tribute from Wayne Myers

Relation: Brother

Words cannot express the loss of a sister your smile and sometimes rough demeanour which was part of the Myers way will be missed. You told it as you saw it which was refreshing but not always accepted. Know this you have left a legacy behind in your daughter and son who have now taken up the gauntlet to carry on the traditions you have passed down to them.

Now that you have our fathers smile just keep on grinning girl.
