RIP Tori.. know that you'll be missed by so many. To her friends and family who had the blessing to have known Tori for longer than myself, I am sending you every ounce of love I have, to help you heal from this terrible loss. My prayers are with you daily, and will continue to be for the years to come. Tori had such an infectious smile and though I met her only a handful of times, it is a smile I will not quickly forget. In her short time here, she made a powerful impact, and this will live on through her son and loved ones. RIP Tori xoxoxox

Relation: Sprott-Shaw instructor

My sympathy to Doug, Faye, Emmett and Myles at this difficult time. Tori was a wonderful woman. I was so proud of her accomplishments. She was dedicated to graduating from the business program. It was an honour to know her. She valued her close family and loved Myles so much. I will remember her as a strong determined woman full of love and laughs.

**Tribute from Janet Rowe**

Relation: our kids went to daycare together

I did not know Tori well, but our kids went to the same daycare. When I think of her I see her big smile as she came to the door to get her 'pumpkin head'. What a tragic loss for everyone, especially Myles. Our hearts go out to all her family at this sad time.

**Tribute from Michelle Tremblay**

Relation: Her son's teacher

Sending you my condolences on this difficult time. I was informed on Monday of the devastating news. I was chocked. I talked to Myles and his mom, several mornings last week. They came early at school walking hand in hand. Tori told me, Friday morning, that she knew that her son was adjusting well at school since he was pretty happy at night talking about his day. I look forward to get to know Myles this year in my class. Sincerely, Michelle
