Trevor you will be truly missed. You are the most kind, caring friend that would do anything for anyone. You introduced me to my soul mate and I will be forever grateful for that. You were always there for me when I needed a friend. You are an amazing man Trevor. Life won't be the same without you in it. I know your watching down and smiling on all of us. Thank you for being a huge part of our lives. We will love you and cherish every moment with you forever. Xoxo

### **Tribute from Trisha Pedersen**

Relation: Friends since 9th grade

Friendship was something cherished by Trevor. Every time I called him, you could hear the smile that

was spread across his face. It was a dream that brought us back together in the late 80's...and in my dreams will be where I continue to see and talk to my dear dear friend.

My sincere condolences to his daughter, family, friends and anyone else that encountered Trevor on a regular basis.

Maya Angelou says "People won't remember what you say or what you did, but they will remember how you made them feel".
