Relation: We became close friends when we lived in Victoria BC during the 1990s

We are very saddened to learn belatedly of Tuija's passing in July. During the 8 years that Judy and I lived in Victoria, we met Tuija and Giles, and became very happy friends with them, both in Comox and in Duncan. We were blessed to have adopted two children ourselves, which gave us much common ground with G&T as they were able to adopt James and Chloe. Dear Giles, we hope that our paths will cross again when next we visit Victoria, as we always were happy in your and Tuija's company, around your BBQ, and at your table.
