Tribute from birgit larsen

Relation: as bus driver

It was with sadness I learned of Vic's sudden illness, and even sader to learn that he is no longer with us. My condolance to his wife and family for loosing a good man.

As the facilitator on the Community Resource Bus, I came in contact with Vic as a spare drive. We spend some days together and shared our life stories. I will always remember his smile and his brown eyes in the bus mirror as we conversed driving down the road.

All my thought go to you all in this sad time.

Birgit
