

**REMEMBERING**  
**Vincent Gallop**

September 13, 1934 - March 24, 2022

It is with shattered hearts we say goodbye to our dad just 3 short weeks after losing the love of his life Theresa.

He was a devoted husband, loving father, cherished grandfather and great grandfather and wonderful fun uncle to many nieces and nephews.

He will be best remembered for his years in Youbou at the Cedar Inn and his great smorgasbords and catering many local events plus his wonderful baking skills. He gave love and laughter to many people from all walks of life, many knew that they would be welcomed with open arms to stop by for a drink or simply a good story or conversation.

He leaves behind his children, Sandi (Rick) Valerie (Allan) Karen (Denis) and Mike. 7 grandchildren, 10 great grandchildren and too many nieces and nephews to mention by name.

In lieu of flowers, please leave a condolence or story at [www.hwwallacecbc.com](http://www.hwwallacecbc.com) or simply have a drink in his honour.
