Tribute from Greg Scollon

Relation: Friend

I always enjoyed Wayne's company and we shared lots of laughs over the years wherever and whenever we connected... always a good time when Wayne was around and he will be sorely missed. Pretty sure he won EVERY long drive contest he took part in so on the bright side someone else will

finally have a chance to win. Thanks Wayne for showing us how it's done...thoughts are with Wayne's family and friends, gone way too soon.

Tribute from Darlene Ector

Relation: Casual acquaintance

Roy and I are shocked and saddened to read of Wayne's passing. We first met him when we were wintering at the HoJo in Victoria. We enjoyed spending time with him there. Then we moved back to the Island and took up residence in Lake Cowichan, where our paths crossed again. I am so sorry he has passed away. Deep sympathy to his family and close friends.

Tribute from Thomas McGurty

Relation: family friend

May time help you heal and bring you peace.
