#### **Tribute from Linnea Abbott**

Relation: employee

Deepest condolences to Wendy's family. I, along with Alex and Terry, worked for Wendy teaching swimming lessons at her pool many years ago when Aimee and Marc were small. I remember her as a kind, caring, nurturing woman who always took an interest in our well being. So sorry to hear of her passing. She will be missed.

#### **Tribute from Joan Givner**

When I lived in Mill Bay, Wendy used to develop my photographs. It was not until my daughter died and she helped me with many photographs of her--enlarging and shaping--that I realised how kind and compassionate she was. Her help at that time was so important to me and I have never forgotten it and her kindness.
