

REMEMBERING **Wesley Weremi**

February 11, 1954 - April 1, 2010

WEREMI-Wesley Chester

February 11 1954-April 1 2010

Survived by his loving wife Aline of 30 years,

His 2 sons Jamie [Marina] and Mathew [Lindsay]. Brothers Henry and Ed [Shelly]
Predeceased by his parents Pella and Paul Weremi.

Wes was an avid fisherman and outdoorsman, robust and full of laughter until the very end.

Wes spent his earlier years in Youbou and over the years migrated to Duncan, where he raised his family and continued to work in the forest industry.

To know Wes was to know more than one fishing story, over, and over, and over, again. He was truly a gifted fisherman, barely touching rod to water his boat would soon be overloaded. He also loved prawning in his "secret" spot with his "supreme bait" which he proved to be gifted at as well.

His greatest joy was teaching his sons the fine art of mechanics; he seemed to love their toys more than they did. He was an outstanding father and was very proud of his 2 sons Jamie and Mathew. We say goodbye with nothing but positive memories for an all around wonderful guy.

Please join us for a 'Celebration of life' Sat. April 10th 1:00-4:00 PM. at the Eagles Hall [2965 Jacob Rd-off of Boys rd]. In lieu of flowers donations may be made the
