Tribute from Sandy & Kim McDougald

Relation: Friend

I have known Willi for years, about 48 to be exact. To say he will be missed is an understatement. Will miss having a beer with him, having a visit, getting a phone call and talking about cars, hockey, baseball etc, etc. Will miss walking at the track with him and hearing about what his son and daughter were to. He was so proud of them.

He left this world far too early. I'm still in shock.

Debbie, know that we are here for you.

I am shocked and sad to hear the passing of Willi. I have known Willi for 55 years. We went to elementary school together and during these 55 years, we went to pubs, parties, hockey games and we did some water skiing together. He was very easy to get along with, I enjoyed his company and he had a great memory of past events we shared together. You left us too soon. My deepest condolences to Debbie and his family.

Relation: Friend

Willi's sister Doris and I became good friends in grade one, and Willi has been like a benevolent big brother to me over the past 50 years. The Konn family was like my second family growing up. Willi was always looking out for us, and he cracked me up with his quick wit and sense of humour. My sincere condolences to Debbie, William and Amanda and of course my dear friend Doris. You are all in my thoughts and prayers during this difficult time.

I am so sorry to hear about Willi's passing. He was such an amazing friend to my dad (Barry Buick), who always spoke so highly of him and had so many incredible memories of their friendship. I hope that happy memories of Willi will help you through this difficult time.

Tribute from Betty & Bill Thompson

Relation: Friend

We are so shocked to hear the news of Willi passing. He was such a good man, great friend and wonderful father. We have known Willi since 1978, when I met him while working with his good friends Mike and Pat at Western Wheel. Willi was always generous with his time and his wit. Later, when he met Debbie and had their kids, we saw another wonderful aspect of Willi as a doting father and husband. The Cowichan Valley was a richer place with Willi in it. He will be dearly missed. Sincere heartfelt condolences to Debbie and the kids. Our hearts are with you.

We were shocked and saddened to hear of Willi's sudden passing. He was a kind and gentle man and a loving husband and father. Will greatly miss seeing him at the ball park where we would share a

story, have a laugh, and reminisce of days gone by in the valley. R.I.P. Willi
