Born in Edinburg Scotland on January 23, 1935, he came to Canada by steam ship as an infant, along with his twin brother Bob, and his Mother Peggy.

Bill spent most of his life in management , and assorted other adventures. Car Salesman, Realtor, News ad Salesman, Manager of Auto Part Sales..

He was very proud to be a Mason,(retired) and honoured their traditions .

He loved anything to do with automobiles and totally rebuilt many vehicles including a 1926 Star, his pride and joy.

Councilman, volunteer fireman, just to mention a few,- a wonderful joyful man who loved and honoured his family, and friends.

Friends were plentiful and he appreciated all of them from—Niagara Falls, Willoughby Township, Fort Erie, Toronto in Ontario, to Duncan B.C.

Always great at building and creating things & charming all of those he met. He was a fan of Rube Goldburge, making things work in the oddest ways sometimes,

He had a very special relationship with his daughter Bobbie Sue and her sons. All his step- children also treasured him as he did them.

We thank Dr. Lauren Jackson, for her continued care and support, and the
