Tribute from Winnifred Darwin

Relation: Working partners Wal Mart Pharmacy

Bill & I worked together in the old Wal Mart Store in the Pharmacy. He as a Pharmacist, I as the OTC Manager. A cute little story here!

Bill was "the boss" or so he thought! He & I never "hit it off" at first but the day I found out he wanted to have a museum of vintage pharmacy items and the fact that my hubby was a "pack rat" :) I gave Bill some items my hubby had stored for years. Some items were perhaps 10 or 15 cents (price on them) and they were very old. Bill was as happy as a "pig in you know what" and from that day forward we became the best of friends. I missed him a lot when I left Wal Mart and he will be missed to-day. Bill went out of his way for his customers, even delivering prescriptions for them if need be. He will be missed a lot. Rest in peace Bill and don't forget to say Hi to my hubby Hank when you meet up. My sincere condolences to Sylvia, Sean and the rest of his family.

His Drug store was a Crystal Finish Photo Service agency and I delivered photo work to the store. Films in by 10 AM where out by 4 PM. Bill was also a great photographer of many interesting subjects including trains and buses. Bill always had interesting stories to tell of all his adventures in the Navy and photography.
