Relation: Acquaintance, member of the force

Condolences to family and friends of William. Many of our officers, including myself and our youngest recruit met Bill at a recent "Coffee with a Cop" where he attended to speak about the "state of affairs" in the force and our community. We shared a lot of stories and I speak for the North Cowichan/Duncan RCMP Detachment in saying Rest in Peace Bill, you will be missed but not forgotten. Thank you for your service.

Relation: Through the Duncan Curling Club

I am so sorry to hear of Bill's passing. My heart goes out to the Dellebuur family. I remember so many wonderful conversations with Bill. He was such a kind man, with always something positive to say. So many wonderful stories he would tell of his life with the RCMP and his travels. He was such a learned individual and I loved hearing about his tales. Never judged but only offered advice when asked. He

was a prince of a man. Truly sorry. Gone before his time.

Relation: old Viewtop Rd Neighbours

We are very sorry to hear of Bill's passing. He was a great neighbour and a real character and we enjoyed our chats at the end of our driveways up on the hill. Bill was always the cop on the block and we always felt safe at home and when away. We will always remember him saying "And I said to Marg....." He had time for everyone and always a story to tell. Our condolences to the family. From Shirley, Corrie and Craig

**Tribute from George Powell**

Relation: My first/best NCO

This man was my first NCO in the field with the RCMP. His guidance and knowledge aided with my career in the Force. Many times someone would comment that I sounded like Bill I accepted the compliment but knew it was because of my training.
