Tribute from Richard Johnson

Relation: School friends in high school

I was so very sorry to hear of Billy's passing. He and I went through high school together and I have always remembered him for his humour, kindness, and being a "good guy". I am so happy I had a chance to see him at our reunion in 2016 in Castlegar! My deepest condolences go to Billy's wife and family.

Tribute from Jarrett Hutchinson

Relation: former coworker

My sincere condolences for Bill's family. I've always owed him a deep debt of gratitude for training me when I started working for the District of Sooke in 2004 as an inexperienced building inspector. I'm grateful for the down to earth, pragmatic approach he taught me. I'm sorry for your loss.

Relation: School Friend

Dear Val and family

So sorry to hear of Billy's passing . Billy was a good friend to me through High School and when I needed a ride to UBC in 1968 he kindly delivered me to my residence at Totem Park. It was great to see him at our 50th Reunion and to meet Val. May your memories bring you Comfort and Peace.

Rest in Peace, Billy.

Dasveedunya.

Tribute from Susan Dyble

Relation: Former Coworker

My sincere condolences to Val and family. I have so many fond memories of working with Bill at the District of Sooke. His happy presence and even happier shirts were hard to miss and enjoy. Bumping into him from time to time after retirement, he would always share his infectious grin while telling a tale of his latest travels. He was a proud dad and grandpa, who expressed the love and pride for his family at every opportunity. He will be deeply missed.
