Relation: He was best friends with my dad for many years

We are so sorry to hear of Bill's passing. He and my dad were lifelong friends. They shared many great times together traveling, laughing and enjoying each other's company. They would constantly play practical jokes on each other as only best friends can! We will always remember his beaming smile and laugh. I know Bill and my dad are together once again. Our condolences to Verna and his kids.

Relation: Close friend

"My Little Buddy" will always be my expression for Bill. Knowing him brings joy in so many ways. Laughter, compassion, wit, humor, love to name only a few, barely touch describing him. My heart is heavy but it is definitely richer for having him in our lives.

Relation: Step Daughter

Bill was a wonderful gift to our family. He was a wonderful husband to my mother for many many

years. He was always the favourite of his grandchildren. The best memory I have is the Christmas he decided to dress as Santa and surprise the children on Christmas Eve. He dressed up and ran around the outside of the house with Jingle Bells and a bag full of gifts. The children went crazy screaming running and hiding when he came into the house. He certainly knew how to bring magic fun and laughter to every family event. He was a wonderful step father always very kind and supportive to me personally. I will miss him greatly and I'm a better person for knowing him. Thank you Opal, for your life, love and laughter.

Bill was a wonderful husband to my mother for many many years. A favorite of his grandchildren one of my most special memories is the year he dressed up as Santa Claus. The kids were quite young and thrilled with his dressing up and ringing Jingle Bells outside the house. He was always wonderful with the kids. Once he entered the house they went crazy screaming running around and hiding. Bill was a great step dad always very supportive kind and loving. He will be greatly missed by the grandchildren his children and stepchildren and anybody who knew him. Thank you Opa for your life love and laughter.
